MESSAGE FROM THE CHAIRMAN:

It is my greatest hope that you are all fine. Many thanks for your great concern about us and the school at large.

Temperatures are very high here at Sonneti Academy (about 36C) and most people are wearing light clothes. We do expect the long rains which usually start in March each year. This is a nice time for us to prepare our gardens to allow us to plant our crops.

School committee

The new school committee was appointed and are as follows:

Chairman	-	Tom Ndoro
Secretary	-	Donald Katana (Headmaster)
Director	-	Anderson Mangi Yaa

At the start of the new school year there are 320 pupils.

KCPE

Yet again the students have performed excellently in the recent KCPE examinations.
